## SECTION I: NAME

The name of this body shall be "THE CENTRAL CAROLINA PRESBYTERY OF THE PRESBYTERIAN CHURCH IN AMERICA," hereinafter called "Presbytery."

## SECTION II: OBJECT

The object of this body is to fulfill the requirements for Presbyteries as set forth in Chapter 13 of the *Book of Church Order of the Presbyterian Church in America* (BCO). The doctrinal and governmental standards of Presbytery shall be those stated in the Preface to the BCO. This Manual is not to conflict with the BCO, and in any case of conflict, the standards of the BCO shall take precedence.

## SECTION III: MEMBERS

Members of Presbytery shall be in two classes: ordained Teaching Elders and particular churches. Standards for examination for membership of Teaching Elders shall be as set forth in BCO 21-4 and 13-6. Standards for examination for membership of churches shall be as set forth in BCO 13-8 and 5-8, 5-9.

## SECTION IV: OFFICERS

Presbytery shall elect four officers at the Spring Stated Meeting, each for a term of one year beginning on June 1. Presbytery shall elect a Treasurer at the Fall Stated Meeting for a term of one year. His term of service shall begin on January 1. Nominations shall come from the Admin Committee.

- A. **Moderator.** The Moderator shall be elected in accord with BCO 10-3, and his duties shall be as set forth therein also. The Moderator may appoint members of Presbytery to assist him as a parliamentarian and as a timekeeper. The Moderator shall have the authority to appoint Standing and Ad Interim Committees, as needed. When vacancies occur on the permanent Committees of Presbytery and replacements are needed before the next Stated Meeting of Presbytery, the Moderator shall have the authority to make interim appointments, subject to the final approval at the next Stated Meeting of Presbytery. Also, the Moderator, along with the Stated Clerk, may upon request of a Commission of Presbytery (except a Judicial Commission) fill vacancies in that Commission in order to establish a quorum. Between meetings, the Moderator does not have the authority to speak for the Presbytery, but should be consulted in all matters affecting the Presbytery as a whole.
- B. **Assistant Moderator.** The Assistant Moderator shall assist the Moderator in carrying out the duties of his office. Normally, the Assistant Moderator shall be nominated to succeed the Moderator.
- C. **Stated Clerk.** His duties shall be set forth in BCO 10-4. The Stated Clerk shall have the authority to refer items of business to the proper Committee, subject to the approval of the Administration Committee. He shall be authorized to open meetings of Presbytery when the Moderator is unable to do so, and to serve until a new Moderator is elected. The Stated Clerk shall post on the website a copy of the proposed docket not less than one week prior to each Stated Meeting, together with copies of all reports to be presented at that meeting of Presbytery. (The individual Clerks of Session are urged to make copies of the docket for each Ruling Elder commissioner elected by their Session prior to the meeting of Presbytery.) Presbytery shall provide or reimburse the Stated Clerk for all costs required by the duties

of his office, and may, upon approval of its budget, provide appropriate remuneration for the labor involved. The office of Stated Clerk is not a position of power and authority, but one of humility and service.

- D. **Assistant Clerk.** The Assistant Clerk shall assist the Stated Clerk in carrying out the duties of his office.
- E. **Treasurer.** He shall be entrusted with the funds of Presbytery. He shall keep an accurate record of these funds and disburse them according to the instruction of Presbytery. The Treasurer shall submit a written report for distribution at each Stated Meeting of Presbytery. This report shall be in the hands of the Stated Clerk not less than two weeks prior to each Stated Meeting. He shall also post on the Presbytery's web page an itemized report each month of the receipts. The Treasurer's books shall be under a financial review annually either by a special committee or by an outside auditor, at the discretion of Presbytery. Bonding of the Treasurer shall be at the discretion of Presbytery. The Treasurer shall attend the quarterly Admin Committee meetings and participate as directed by the Committee. He is not a member of the Admin Committee and has no vote. He shall present his records for review at each quarterly meeting.
- F. **Trustees.** At the Spring Stated Meeting, Presbytery shall elect three elders as Trustees to serve on classes of three year terms, thus electing one new trustee each year. Trustees shall handle all matters of Presbytery relating to civil law.

## SECTION V: MEETINGS

- A. **Stated Meetings.** Presbytery shall have four Stated Meetings per year according to the following schedule:

WINTER STATED MEETING	9:00 AM	4th Saturday in February

- B. **Called Meetings.** Called meetings shall be held as necessary in accord with BCO 13-12.
- C. **Place of Meetings.** The time and place of each Stated Meeting shall be determined by the Admin Committee. Hosting the meeting of Presbytery is understood to be a privilege and a service, and individual member churches are urged to invite Presbytery to meet at their facilities. Presbytery meetings shall be held at a particular place and time unless in a time of national, state, or regional emergency where providential hindrances pose an undue threat of harm to commissioners and make it unreasonable to do so. The Moderator may then change the forthcoming meeting to a videoconference meeting pursuant to his powers in BCO 10-3 and pursuant to the guidelines set forth in the current version of Robert's Rules of Order. If a Presbytery meeting is to be held by videoconference, the Stated Clerk in the meeting packet or in the call of the meeting shall state the suggested manners by which commissioners may obtain the floor, raise a point of order, and vote on matters before the court.
- D. **Quorum.** A quorum for all meetings shall be established when 20% of member churches are represented by a Ruling Elder and 20% of the Teaching Elders with call in bounds are present. If, at any time during a meeting, attendance falls below the level required for a quorum, the only business which may be conducted is to fix the time to adjourn, adjourn, recess, or take measures to obtain a quorum.
- E. **Calendar.** The Stated Clerk shall publish a yearly calendar to be posted with the docket for the Winter Stated Meeting. The calendar should include the dates for Presbytery meetings, all Committee meetings, and the deadlines for submission of written church reports and Committee reports (two weeks prior to the meeting of Presbytery), candidate reports (three weeks prior), and Teaching Elder reports (five weeks prior).

## SECTION VI: NORMAL ORDER OF BUSINESS

- A. **Worship.** Presbytery shall convene each Stated Meeting for worship planned and organized by the host Session with special attention given to meaningful preparation, including a season of prayer, and preaching by invited guests or ordained members of Presbytery, and the administration of the Lord's Supper. Normally, sermons by candidates in partial fulfillment of their examinations for licensure and ordination shall be heard by the Examinations Committee in accord with BCO 19-2d.

- C. **Docket Changes.** Presbytery shall not be allowed to change the approved docket without a 2/3 majority vote of those present.
- D. **Procedural Guidelines.**
1. The only motions to be entertained on the floor of Presbytery shall be those contained in written Committee reports delivered prior to Presbytery, or pertaining to the motions from the report currently on the floor. Any miscellaneous motions, motions pertaining to new business, or personal resolutions shall be referred to the appropriate Committee.
  2. Except for simple parliamentary motions, all motions shall be required to be written on a standard form developed by the Administration Committee.
  3. In debating a question, no commissioner may speak on the same question more than once until all desiring to speak have done so. The Committee Chairman or his designate shall have opportunity to make the final statement in debate.
  4. Debate on the main motion shall be limited to ten (10) minutes unless extended. When a main motion has been debated for ten (10) minutes, the Moderator shall put the question to the Presbytery: "Does Presbytery desire to extend the time an additional five (5) minutes?" A simple majority will decide the question. If the majority decides not to extend debate, the Moderator will call the question. If an amendment or substitution is on the floor, the question of extending time on the main motion shall be repeated after the vote on the amendment or substitute. If time is extended, the question of extension will again be put every succeeding five (5) minutes until the motion is concluded. Each Commissioner shall be limited to three (3) minutes on the same question unless the Court by a simple majority grants additional time.
  5. Debate shall be free and open, with equal time being given to proponents and opponents insofar as possible. Commissioners are encouraged to distinguish between debate and division, not hesitating to debate issues upon which there is disagreement yet not becoming defensive or quickly offended when another Commissioner disagrees.
  6. The Moderator shall not allow any inappropriate statements or personal attacks which impugn the integrity, motive, or character of a fellow commissioner.
  7. A single Omnibus Motion will be used for all Committee recommendations at the Stated Clerk's discretion. Any commissioner may request, without comment or debate, the removal of a specific item from the Omnibus Motion whereupon that item shall be removed and presented as part of the Committee report from which it originated. A favorable vote on the Omnibus Motion shall be recorded as a favorable vote on each item included in the motion.

## **SECTION VII: ATTENDANCE AND EXCUSES**

- A. **Teaching Elders.** All Teaching Elders who are members of Presbytery shall be required to attend all the meetings of Presbytery. Honorably retired TE's and foreign missionaries are granted an automatic exception to this requirement.
- B. **Ruling Elders.** The Session of each Church which is a member of Presbytery shall be required to send at least one Ruling Elder as representative to each meeting of Presbytery, in accord with BCO 13-1.
- C. **Excuses.** Requests for excuse for Teaching Elders and Ruling Elders shall be submitted in writing on a standard form to the Stated Clerk prior to the meeting of Presbytery. In order that Presbytery emphasize the need for

Teaching Elders and Session representatives to come to all meetings of Presbytery and to stay for the whole meeting, all requests for excuse shall be approved or disapproved by the Admin Committee and reported in the minutes. Teaching Elders and Ruling Elders absent without excuse shall be noted in the minutes. Excuses shall be approved only for personal/family illnesses or emergencies, pastoral emergencies (such as a funeral, crisis situation, etc.), unexpected or extraordinary employment demands, or other providential circumstances hindering attendance.

This report need not be lengthy, and shall be submitted in writing to the Shepherding Committee on a standard form at least five weeks before a Stated Meeting of Presbytery, on a schedule determined by the Stated Clerk. Reports of Pastors shall be presented to Presbytery only if the Shepherding Committee finds it necessary.
- B. **Report of Teaching Elders laboring in ministries outside the Presbytery.** Each non-Pastor Teaching Elder (and each pastor of a church not under the jurisdiction of Presbytery) shall report annually on his activities, opportunities for ministry, pursuit of his call, and any problems he may face. Committees shall elect their own Chairman, who shall serve for a term of one year but is eligible to succeed himself as long as he remains on the Committee. If a committee member becomes inactive, the Moderator may name an interim replacement at the recommendation of the Committee, subject to the final approval at the next Stated Meeting of Presbytery. Committee members may serve no more than two consecutive terms before a lapse of one year. A member filling an unexpired term is eligible for re-election to a full term.
- B. **Quorum.** A quorum for all meetings shall be one-half of the Committee membership.
- C. **Eligibility.** A TE or Ruling Elder whose compensation is provided by a particular Committee, or whose ministry is immediately subject to review and direction of a particular Committee (such as an organizing or aid-receiving pastor to the Mission to North America Committee), shall be ineligible for election as a member of that Committee.
- D. **Reports.** Each Permanent Committee shall normally meet three to four weeks prior to the Stated Meetings of Presbytery. Committees shall submit their written report to the Stated Clerk on a standard form at least two weeks before the meeting of Presbytery at which the report is to be made, in order that the report may be posted with the docket. Reports shall be summarized on the floor of Presbytery but not read in their entirety. Committee recommendations shall be followed by the recorded vote of the Committee and the rationale of the Committee, in order to expedite the meeting of Presbytery. Presbytery shall not hear reports which have not been submitted in writing and posted with the docket. If this rule is suspended by 2/3 vote, any such report will be placed at the end of the docket. The Stated Clerk, by virtue of his office, shall serve as Chairman. The Administration Committee shall prepare the docket prior to each Stated Meeting of Presbytery, discuss questions of procedure, assign correspondence to Committees, and coordinate the ongoing work of Presbytery. This committee shall receive regular reports from the Presbytery Women's Ministry.

Nominations - Admin Committee shall, at the Spring Stated Meeting of Presbytery, nominate suitable Teaching Elders, Ruling Elders, and Deacons to serve on the other permanent Committees. It shall present nominations to fill unexpired terms whenever such vacancies occur on permanent Committees. This Committee shall, at the Spring Stated Meeting, nominate a qualified Teaching Elder or Ruling Elder to the offices of Moderator and Assistant Moderator. Neither this Committee, nor any member of Presbytery, when nominations are reported out, shall make nominating speeches for or against a particular nominee. The Committee shall report only his fitness, willingness, and qualifications to serve. The two at-large positions on this Committee shall be filled by Presbytery, without nominations from this Committee. At the Winter Stated Meeting, this Committee shall nominate to the Presbytery a Teaching Elder and Ruling Elder for the General Assembly Overtures Committee.

Stewardship – Admin Committee shall keep the churches of Presbytery abreast of the financial status of Presbytery and shall promote the financial support of the work of the General Assembly and Presbytery such that member churches are strongly urged to provide non-designated giving at the level of Askings. At the Fall Stated Meeting of Presbytery, the final budget will be adopted. With regard to financial and budgetary issues, this Committee shall make any recommendations to Presbytery as necessary to promote the monetary stability of Presbytery. This committee shall review the Treasurer's records and report the results annually to Presbytery. The Treasurer shall serve as an advisory-only member of the Admin committee.

All overtures, miscellaneous motions, and personal resolutions of a general nature (not specifically related to the work of another permanent Committee) shall be referred to this Committee, which shall bring appropriate recommendations to Presbytery. Overtures to other PCA courts shall be submitted at least four weeks prior to a Stated Meeting and be circulated for comment at least two weeks before this Committee meets. All references, appeals, and complaints shall be referred to this Committee. When a complaint is received, this Committee shall advise the Moderator in his determination of whether or not the complaint is in order, but shall not make recommendations to Presbytery regarding the disposition of the complaint. When a reference or appeal is received, this Committee shall make recommendations to Presbytery regarding the disposition of the reference or appeal.

2. **Candidates Committee.** This Committee shall be composed of four Teaching Elders and four Ruling Elders. This Committee shall provide the means whereby men sensing a call to the gospel ministry may receive direction and nurture in the pursuit of that call, and be provided with appropriate opportunities for theological training and practical service, to include the specific internship training leading up to their ordination. This Committee shall examine men requesting to come under the care of Presbytery, compile the necessary testimonials, make recommendations to Presbytery regarding the reception of the candidate, and provide personal oversight for all candidates under care of Presbytery. This Committee shall make recommendations to Presbytery to initiate and approve specific internship assignments for candidates, and shall oversee those internships for each candidate.
3. **Examinations Committee.** This Committee shall be composed of six Teaching Elders and six Ruling Elders, in four classes of three, and six alternate members (3 TEs and 3 REs) who may fill any vacancy necessary to meet a quorum for a given meeting.

Normally, sermons which are a part of a candidate's licensure or ordination examination shall be heard by this Committee or a sub-committee thereof in lieu of a sermon preached before Presbytery. When a candidate takes exception to the Confession or has a disputable interpretation of the Confession, yet it is an issue where diverse opinions are held within the Presbytery, let the Committee note the issue and let the Presbytery decide. Each man seeking licensure, ordination, and transfer who takes an exception to the Standards shall summarize his views in writing, interacting with Scripture. This summary shall be no more than 5 pages and shall be included in the reports of the Committee and mailed with the docket. Prior to the floor exam, the Committee shall remind the Presbyters that the purpose of the exam is to discover a man's views not to debate them. This Committee shall review all calls issued to men being ordained in this Presbytery (which calls shall ordinarily be in the hands of this Committee prior to the stated meeting of the Committee) and recommend to Presbytery that the call either be found in order and be approved; or, if not found in order, recommend the necessary changes which need to be made before it be approved. When the total compensation package in a call falls below the minimum established by the Presbytery, the Shepherding Committee shall be notified and the matter shall be referred to it by the Examinations Committee.

**Transfers** - In accord with BCO 13-6, this Committee shall examine the views of Teaching Elders requesting to be received by Presbytery from other Presbyteries of the Presbyterian Church in America and ministers seeking to be received from other denominations. This Committee shall make recommendations to Presbytery regarding the approval of that examination, and shall conduct a pointedly representative oral examination before the Presbytery. When a man takes exception to the Confession, yet it is an issue where diverse opinions are held within the Presbytery, let the Committee note the issue and let the Presbytery decide. Each man seeking licensure, ordination, and transfer who takes an exception to the Standards shall summarize his views in writing, interacting with Scripture. This summary shall be no more than 5 pages and shall be included in the reports of the Committee and mailed with the docket. This Committee shall review all calls of ordained Teaching Elders requesting to be received by Presbytery and ministers seeking to be received from other denominations (which calls shall ordinarily be in the hands of this Committee prior to the stated meeting of the Committee) and recommend to Presbytery that the call either be found in order and be approved; or, if not found in order, recommend the necessary changes which need to be made before it be approved. The quorum shall be not less than one Teaching Elder and one Ruling Elder.
- B. **Ad-Interim Committees.** Presbytery may establish, by appointment or election, Ad-Interim Committees to function for a particular purpose and specified time, normally until the next Stated Meeting of Presbytery. The quorum shall be not less than two Teaching Elders and two Ruling Elders.
- C. **Commissions.** In accord with BCO Chapter 15, Presbytery may elect Commissions which shall be authorized to deliberate upon and conclude the business referred to them. Among the matters that may be properly executed by Commissions are the taking of the testimony in judicial cases, the ordination of ministers, the installation of ministers, the visitation of portions of the church affected with disorder, and the organization of new churches. If Presbytery approves the judgment of a Judicial Commission, they shall become the judgment of Presbytery. The quorum for all Commissions shall be not less than two Teaching Elders and two Ruling Elders. However, the quorum for a Commission appointed as an Interim Session shall be as specified in BCO 12-1. Installation Commissions should include elders from Central Carolina churches in addition to the church in which the minister is being installed
- D. **Standing Commissions.** The following Permanent Committees are authorized to act as Commissions for specific tasks. In the tasks below, if one voting member of the Commission requests, the Commission will only function as a committee and will bring the matter to the full Presbytery with recommendation. For these Permanent Committees to act as Commissions requires 2 TE's & 2 RE's for a quorum, except Admin whose quorum would be 50% of its members, and Examinations and Shepherding whose quorum would be 6 with at least 2 TE's and 2 RE's.
