

GOOD CHRISTIANS NEVER FIGHT... OR DO THEY?

"Why does getting ready for church on Sunday always lead to a family quarrel?"

"With all the fighting we do, divorce seems like the only answer."

"My parents are always telling me what to do ...and

I'm 52 years old!"

"How could someone call himself a Christian businessman and be such a crook?"

Christians can fight just like everyone else...

When we do, relationships are damaged, businesses and careers suffer, and the witness of the church is weakened.

You can help to reverse this pattern. Learn how to apply the peacemaking principles God has given in His word. See how they have been used to resolve everything from family squabbles to complicated lawsuits.

Then apply God's principles in your family, church, and workplace to resolve conflicts in a loving, firm, and God-pleasing manner.
